### **Comparison of Residence Homestead Values**

Average appraised and taxable values on residence homesteads are compared from the preceding tax year and the current tax year.

	Preceding Tax Year	Current Tax Year
Average residence homestead appraised value	\$64,657	\$65,735
Homestead exemption amount for the taxing unit (excluding special exemptions for persons 65 years of age or older or disabled)	\$0	\$0
Average taxable value of a residence homestead (excluding special exemptions for persons 65 years of age or older or disabled)	\$64,657	\$65,735

### **Comparison of Residence Homestead Taxes**

The taxes that would have been imposed in the preceding tax year on a residence homestead at the average appraised value (excluding special exemptions for person 65 years of age or older or disabled) are estimated to be \$401. The taxes that would be imposed in the current tax year on the residence homestead appraised at the average appraised value in the current tax year (excluding special exemptions for person 65 years of age or older or disabled), if the proposed tax rate is adopted, are estimated to be \$420. The difference between the amount of the taxes on the average residence homestead in the current tax year, if the proposed tax rate is adopted, and the preceding tax year would be an increase of \$19 of taxes.
