Animal Control mission is to educate, promote and protect the health, safety, and welfare of pets and people.

Palestine Animal Control consists of two full time state certified officers.

Animal Control is responsible for the enforcement of the city's ordinances and state laws related to animals. They patrol the city streets of Palestine to eliminate nuisances and threats to the public resulting from animals running at large or kept in unsafe conditions.

Other responsibilities include enforcing the animal leash law, impounding stray animals and removing animal carcasses from streets and right-of-ways.

Animal Control investigates all animal bites within the city limits of Palestine. Ordinances that pertain to the regulation of animals can be found in chapter fourteen (14) of the Palestine City Codes. All impounded animals are housed at The Anderson County Humane Society located at 335 Armory Road Palestine, Texas.
