Palestine Police Department

Mission

The mission of the Palestine Police Department, together with the community of Palestine, is to make our city a place where all people can live, work and visit safely without fear. This mission is attained through sincere commitment to public service based upon high ethical and professional standards.

The Palestine Texas Police Department

The Department is staffed by 36 sworn personnel and 11 civilians.

The majority of officers work the patrol division in one of four shifts. Additional officers work Investigations, Drug Task Forces, K-9, Tactical response, and other details as needs change.

The city's population is estimated at 18K, but the service population, as the major commerce point in the county, reaches close to 40K.

Palestine is a rural community surrounded by farms, ranches as well as public forests and lakes.

Major employers in the area include, Wal-Mart with two warehouses, the Texas Department of Criminal Justice's five prison units, Palestine Regional Medical Center and Rehabilitation Hospital, and our two school districts. The city also has a vibrant historical downtown residential and commercial district. The city has more historic structures than any other Texas city except for Galveston.
