From the Director:

Multiple commercial construction projects are currently in progress throughout the city. We are also working with several developers who are proposing new commercial projects that have not officially been submitted for review. Some of the ongoing projects include:

1. Whataburger reconstruction.
The new facility is moving along as planned and should be completed within the next two months.
2. McDonald's demolition and reconstruction.
As of last week, McDonald's has temporarily closed down and is currently being demolished. The reconstruction will immediately follow the demolition of the existing structure.
3. Family Dollar (new location adjacent to Kroger's).
Plans are being designed for the new Family Dollar along with the preparation of the subdivision plat.
4. TDCJ Parole Office.

In addition to construction projects, the Health Officer is reviewing our existing health regulations to ensure that we are current with the State laws pertaining to food service establishments. He is also working towards improving our existing applications for food service establishments.

Our department is currently working closely with the Police Department involving matters of Code Enforcement. We have already seen positive results as numerous violations have been resolved. I expect to see a major improvement in property maintenance throughout the city with the help of the Police Department.
